

Schindler PORT 4 Visitor

The visitor management terminal

Schindler PORT 4 Visitor Specifications

Our secure and convenient visitor management terminal for entrances, parking garages, and lobby kiosk applications. In combination with the myPORT app or video intercom, it enables building tenants to open doors and parking barriers, call an elevator, and provide visitors and deliveries a seamless journey to a destination floor. Schindler PORT 4 Visitor is available in wall mount or pedestal applications and features an intuitive interface and 10.4" HD touch screen.
